HIGHWAY COMMISSIONER  
PALATINE TOWNSHIP ROAD DISTRICT

HIGHWAY PERMIT

\_\_\_\_\_  
PETITIONER

This permit authorizes the location, construction facilitation, operation and maintenance of:

The above described work shall adhere to every detail in marked and approved plan of record identified as:

and attached hereto and made part hereof.

The petitioner shall be responsible for ascertaining the correct location of property lines in connection with this permit

The existing drainage of the roadway must be preserved during the construction of the work.

\_\_\_\_\_ at 847/358-6336 must be notified at least 24 hours in advance of start of construction.

The State Standard Specifications for Road and Bridge Construction, adopted in 1976 the amendments thereto, as they relate to construction practice and quality workmanship and materials, shall apply to this work except when modified by conditions, restrictions or provisions outlined in this permit.

A satisfactory executed bond or bonds must be submitted to insure fulfillment of the obligations of this permit before the start of construction.
